

### 3.4 COMPANY PROFILE

Jakto Transport and Excavations, Barnsley South Yorkshire are No 1 for Bulk Earthworks, Site Clearance, Demolition, Remediation, Civil Engineering and Road Haulage projects, we have vast over 40 years of experience in the construction industry with 90% of the company's growth being because of client recommendations.

We are based in Barnsley, South Yorkshire but many of our recent projects have taken us across the country. We are an employer of over 100 personnel.

Jakto regularly win contracts from local authority and national highways bodies, including some on a quality selection basis making us one of the largest earthworks and demolition contractors / specialists in the North of England.

As clients, have moved away from traditional tendering techniques, we now routinely take part in the latest procurement methods, including partnering.

We are experienced in operating under many varied forms of contract and regularly deliver projects comfortably within target cost.
