2. POLICY

2.1 Health & Safety Policy Statement of Intent

COMPANY HEALTH, SAFETY & WELFARE STATEMENT OF INTENT

Health and Safety at Work etc. Act 1974

Jakto Transport Ltd acknowledges and accepts its statutory responsibilities under the terms of the Health and Safety at Work etc. Act 1974 and is committed to securing the Health, Safety and Welfare of all its employees and others who may be affected by our business, **Jakto Transport Ltd** will provide adequate and sufficient finances, time and other resources as necessary to ensure that the company's statutory obligations on Health and Safety are fulfilled.

The Company will take steps, so far as is reasonably practicable, to meet its Health and Safety responsibilities, paying particularly attention to:

- The provision and maintenance of plant and equipment
- The provision of adequate facilities, handling, storage and transportation of chemicals.
- The provision of sufficient Information, Instruction, Training and Supervision to enable employees to avoid hazardous situations and contribute positively to their own Health & Safety at work.
- The provision of safe access and egress to and from the workplace.
- The provision of a healthy working environment.
- The provision of adequate welfare facilities
- The inclusion of Health and Safety into Planning, Organisation, Controlling, Monitoring and Review arrangements of its Management Systems.
- The use of suitable and sufficient Risk Assessment techniques to assess the Health and Safety risks applicable to our Employees and others who may be affected by our work activities.

A Safety Policy is unlikely to be successful unless it actively involves the people who work within the Company. The Company will therefore seek to ensure effective Consultation and Communication through the Director Responsible for Health & Safety, the Company's Health and Safety Advisors and our Employees.

Equally, it is the duty of every Employee to take reasonable care for the Health and Safety of himself and his fellow workers, or other persons who may be affected by his actions at work. In addition to this, the Employees must co-operate with the company to enable our statutory duties to be addressed. To achieve this, our Employees should correctly use all resources provided by the company in accordance with their Training and Instruction and must immediately report any defective items to their supervisor.

Jakto Transport Ltd regards the promotion of Health and Safety measures as an integral part of our Management framework. To achieve this aim, Employees and Managers will actively work together to comply with the following “goals”.

- Accidents and incidents at work will be minimised through the promotion of high Safety standards
- Continuous liaison and communication between Employees and Managers will assist the Safety Review Process
- Continuous Risk Assessments of Health and Safety issues will be applied when planning new work or new activities
- Safety will be included on the agenda of all Business meetings
- A continuous Programme of health and Safety Inspections will assist in detecting and eliminating unsafe practices and conditions

The Company Health, Safety and Welfare Policy will be reviewed annually and revision or additional new legislation or regulations will be brought to the attention of our Employees via a company induction, Toolbox Talks or via information sheets sent to each employee.
